

Resolution of the 3rd World Conference of ICOR

**Solidarity with the Main Coordinator of the ICOR,  
Monika Gärtner-Engel**

We are outraged to hear about the coward threats of murder against the ICOR Main Coordinator, Monika Gärtner-Engel. We strongly protest against the fascist machinations and declare our full solidarity with comrade Monika Gärtner-Engel. The ICOR does not allow itself to be intimidated and will increase its vigilance and act accordingly.
